Jaczek, Stanislaw Michal P. Eng (November 25, 1917 - October 22, 2005) Mike died on October 22, 2005, in his 88th year, at Southlake Regional Health Centre, Newmarket. Predeceased by his beloved wife Primrose, he will be deeply missed by his daughter, Helena and her husband Hershel. He was the very best Gramps to Natasha and Nicholas. Born in Poland during the First World War, Mike was an Officer in the Polish Cavalry when the Germans invaded in 1939. He was captured by the Russians on the Eastern Front and was sent to a concentration camp in Siberia. After Germany attacked Russia, Mike escaped from the Gulag and, after many adventures, made his way across Asia to join the British Army in Palestine. From there he was sent to South Africa to join Polish Squadron 663, attached to the Royal Air Force, to learn how to fly. Because of his expertise in aerobatics, he became a reconnaissance pilot and spotter for the field artillery. In 1944, at the battle of Monte Cassino, he earned Poland's highest military honour, the Virtuti Militare, and was also awarded Italy's Croce Al Valore Militare. After the War, he studied at the University of London, graduating with a Master's degree in Chemical Engineering. While working in the cable industry in Britain, he was directly involved in the design and manufacture of the first submarine Transatlantic Telephone Cable and was present when the first call was made in 1956. Recruited to work for Canada Wire and Cable in 1962, he was recognized for his knowledge of coaxial cable, polyethylene insulation and extrusion of copper wire. He greatly enjoyed the opportunities he had to provide technical know-how in many parts of the world. Family, friends and colleagues will remember Mike for his courage, his vigour and liveliness, his love of discussion and argument - preferably with a strong drink and cigar in hand! Oh, I have slipped the surly bonds of earth And danced the skies on laughter-silvered wings; Sunward I've climbed and joined the tumbling mirth Of sun-split clouds - and done a hundred things You have not dreamed of - wheeled and soared and swung High in the sunlit silence. Hov'ring there, I've chased the shouting wind along, and flung, My eager craft through footless halls of air. Up, up the long delirious burning blue I've topped the windswept heights with easy grace Where never lark, or even eagle flew. And, while with silent, lifting mind I've trod The high untres passed sanctity of space, Put out my hand, and touched the face of God. High Flightby John Gillespie Magee, Jr. A celebration of Mike's Life will be held at the Newbigging Funeral Home at 733 Mt. Pleasant Rd., Toronto on Friday, October 28, 2005 at 11 a.m. If desired, in memoriam donations may be made to the charity of your choice or Southlake Regional Health Centre Foundation, 615 David Drive, Newmarket, Ontario, L3Y 2R2.
