● Know what they say about birds and feathers? Well, this bird and her feathers have got together with one of the most successful formulas since woad and the ancient British woman.

She is Kristina Jardel, 26, until four weeks ago just another photographer. Then it was that she hit on the hot test idea around — feather chokers. For the uninitiated, chokers come in all shapes, sizes, fabrics and prices. Kristinas sell for 55s at Harrods and Way In. K10
