Dear Sir or Madam,

We are now preparing a WHO'S WHO AMONG POLES in the British Commonwealth of Nations.

Its object is to provide biographical details of Australians Britons, Canadians, New Zealanders and residents of other countries of the British Commonwealth who are of Polish origin, and also of prominent Poles living in these countries. It will give details about those who as a result of their professional, social or political work are or should be known to the people of their respective countries.

The book gives a wide range of occupations, professions and positions and describes the talents and potentialities which these people already contribute or can yet offer to the communities in which they live.

This is a first publication of this kind and size published in English giving a picture of the work, initiative and results of this most active element of the large mass of half a million Poles abroad living throughout the British Commonwealth.

The book is based on 65 years tradition of similar publications and on details obtained from the Year Book and Directory POLES ABROAD

We hope that you will appreciate

- that all results and achievements of Poles abroad are also indicative of their attainments in the future;
- that presenting these biographical details to the knowlege of the people of the British Commonwealth and to the foreign groups living in these countries can help to bring them to cooperate more together with a considerable benefit to all concerned;
- that this book describing the most active Poles in all spheres provides a very effective medium for business and professional contacts;
- and that all persons whose names appear in this book may feel assured that they can benefit from its wide and comprehensive circulation.

These are the reasons why we approach you with the request to give us details about yourself on the enclosed questionnaire, of which a copy for your own use you will find on the reverse of this sheet.

We would emphasize that we are sending this request to a selected number of persons, and that we do not charge for the insertion of these details

We attach great importance to the compiling of only exact and up-to-date facts and therefore we will send you proofs before final printing.

We realise that in spite of great care we can ommit some people whose names should be included in our publication. Your help therefore will be appreciated in sending us the names and addresses of persons whom you can consider elligible for this publication.

We would also appreciate all remarks and suggestions about this intended work of reference.

Yours faithfully

Szanowny Panie Inżynierze,

Poczta przekazała mi dzisiaj list Pana z 26.10.b.r. Dwa razy zmieniałem adres.Mój obecny i już stały: 298 Northfield Avenue, W.5.

Oddanie do druku Who s Who Among Poles przeciągnęło się trochę za długo. Jest to przykre dla klientów a bardzo bolesne dla wydawcy. Jak Pan pewnie czytał w prasie ukazała się w druku pierwsza część naszej publikacji, równie ciężkiej do zrealizowania jak i Who s Who - Polonica na Wyspach Brytyjskich. Obecnie cały czas poswięcam uaktualnieniu i ostatecznej redakcji interesującej Pana książki. Może uda mi się zakonczyc te prace do kwietnia 1966 i dac wydawnictwo do druku.

Za uzupełnienia dziękuję. Ostateczną korektę prześlę do wglądu.

Wyrazy prawdziwego szacunku i najlepsze życzenia świąteczne łączę

Bohdan O. Jezewski
